<p>Let's take a minute to discuss The Testing Center Computer Labs, and the Loaner computer program</p>			<p>Standard Continuous Orientation opening</p> <p>The Testing Center Computer Labs, and the Loaner computer program</p>
			<p>Student One: Hey my teacher said my exam is at the Testing Center... do you know anything about it?</p>
<p>The Testing center is where you go to take standardized tests, and some classes have you do the class tests in the Center, as well.</p>			<p>Student Two: The Testing Center is where you can take standardized tests, but some teachers put their class tests there, too.</p>
<p>You can take a test anytime the Main Campus Testing Center is open, Monday – Thursday from 8:00 am to 6:00 pm, Wednesday 8:00 am -8:00 pm and Friday 8:00 am-noon No appointment is needed for most exams. But you do need to start early enough to finish the test before closing time. No test can be started in the last 45 minutes of the business day.</p>			<p>Student One: Oh yeah, I think that's where I took the placement test when I first registered. Are they open now? Do I need an appointment?</p> <p>Student Two: No appointment is needed for most exams, they are open Monday – Thursday from 8:00 to 6:00, and Friday 8:00-noon. But you better get over there now; you need to start early enough to finish the test before closing time.</p>

---------------------	----------------------------	--	--

A photo ID is required for all tests
No ID, no Test.

Student One: Do I need to take anything?

Student Two: You gotta have an ID, or they won't let you take a test.

Student One: How do you know so much about the Testing Center?

More information is available on the Testing Center Website, look under Student.

Student Two: I needed to take a test, so I looked it all up on the web site... it's under Student Services. There's the OCC building there... better get going!

The Testing Center is in One College Centre, OCC, on the second floor.

<p>You don't have to use the testing center for most online tests, any Internet computer will do; but if you don't have access to a computer, you have a couple of options to help you get your work done in WTC Watson Technical Center.</p>			<p>Student One: Can I do my computer homework there? My computer at home just died! What am I going to do?</p>
			<p>Student Two: Did you know that there is the Open Computer lab over in Watson Technical Center?</p>
<p>WTC is north of OCC, between 1st and 5th Street, by the Administration building.</p>			<p>[Cut to overhead view of campus, zoom into WTC Dissolve to view of door as viewed from parking Dissolve to view of Open lab]</p>
